**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have used Sonic.net for several years. It is necessary to have competitive options for network, WiFi and home phone services. Sonic is an excellent option. It is my experience that the larger companies use bait and switch pricing, have TERRIBLE customer service.

It is un-American to deny consumers affordable, competitive choices.

Price hikes will be a hardship to me and other consumers.
